## VALUE DRIVERS

### Pitching Competition

START Summiteer offers **30 early-stage Startups** the opportunity to present their venture in front of industry leaders, serial founders and Europe's most renowned VCs.

- Prove your pitching skills in front of top-tier investors and over 6,000 Summit participants.
- Gain maximum visibility for your Startup on our **main-stage**.
- Compete for a chance to win at least **CHF 10,000**.

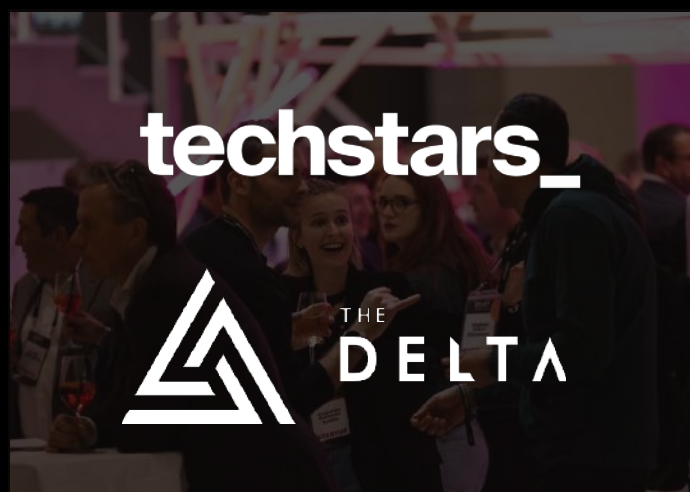

---

## Your free **START Summit Booth**

Make the most of your visit to St. Gallen and secure a **2x2m booth** equipped with chairs, a table, and a customisable banner.

- Make valuable connections with investors and corporates.
- Get inspired by other top Startups and the latest technology.
- Portray yourself among the most innovative startups in Europe.

---

## Founders Day Zero

- Dive into the **Northstar Workshop** for hands-on learnings in venture building.
- Gain valuable insights from Martin Schilling, an expert who has successfully scaled companies like N26.
- Afterwards, **The Delta** will host an Aperitif, perfect for casual networking.
- Plus, get a **fast-track entry** to the **Techstars accelerator** program!

---

## Swiss Sustainable Impact Award

Sustainability has never been more important than now:

- **12 Projects and Startups** will have the opportunity to pitch their ideas to a jury of professors and industry experts as well as START Summit participants.
- Chance to **win CHF 10,000** and have your START Summit ticket reimbursed for added perks.
